The City of Hutto is proud to announce another option for residents who want to make a difference! *Beginning in February*, weekly recycling pick-up will be available to all Hutto residents. Simply place both carts curbside each week on your regular trash day. Residents will also have a choice in garbage and recycling cart size: keep your 95 gallon carts for a cost of \$16.01/month, or choose 65 gallon carts for a total of \$13.20/month. Or, mix and match cart sizes to better suit your needs. Call the City of Hutto *Utility Office* at (512)759-4055 if you have *trash or recycling questions*. With your help, the City of Hutto will one day reach its strategic goal of 100% recycling participation.

Recycling:

- saves taxpayer money
- increases the lifespan of landfills
- saves energy
- reduces air, land and water pollution
- reduces the green house effect
- reduces acid rain
- preserves habitats for wildlife
- preserves our resources

As a reminder, accepted items include:

Metal - aluminum, steel and tin cans and aluminum foil. Please rinse to prevent food contamination.

Glass - Includes bottles and jars, clear, green, brown and blue glass. Please rinse and remove lids.

Paper - Newspaper, office paper, junk mail, phone books, brown paper bags, magazines, paperboard- including cereal boxes. Please flatten and keep dry.

Plastics - Please rinse and remove lids.

Together we can keep Hutto looking good!

- Please rinse and remove lids on recyclable items.
- Soiled items can not be recycled.
- Flatten cardboard/paperboard to fit.
- Please keep all paper products dry.
